K.V.Pendharkar College of Arts, Science & Commerce (Autonomous)

Vision

Vision Statement We aspire to be a model institution of higher education, an ideal centre of learning catering to the multiple needs of students- fraternity, shaping their overall personality, creating a healthy teaching-learning atmosphere to make students morally conscious, socially responsible human beings and to enhance their employability.

Mission

Mission Statement Academic excellence is essential but it is not enough. Knowledge should be guided by conscience. The journey should be from the darkness of ignorance to the light of knowledge and from unrighteous to righteous actions. Dombivli Shikshan Prasarak Mandal was established in 1972 by some elite citizens of Dombivli. They had a vision of founding an ideal institution for spreading knowledge in the city of Dombivli and villages in its vicinity. The Mission statement of the institution is „Tamaso Maa Jyotirgamaya“ i.e. “O! Lord, lead us from the darkness of ignorance to the light of knowledge.” The institution's logo contains a peacock with feathers spread out and a lighted lamp inside a wheel. The Peacock is a vehicle of Goddess Saraswati, the deity of learning and knowledge. 12 The lighted lamp stands for the spread of knowledge in all directions. Thus the peacock and the lamp both stand for the mission statement of the institution which is to impart knowledge to all irrespective of class, caste and religion. The Mandal has been working ceaselessly on the mission for the last forty seven years and has created an enviable record in the field of education in the city of Dombivli
