

22nd December, 2020.

BEST PERFORMING DEPARTMENT OF THE YEAR

Promoting Excellence through Motivation

Performance of any educational institution as a whole depends upon the performance of all the departments of the institution, considering this since 2020-21 the IQAC of the college has come up with the practice of honouring the high performing department with the award of "Best performing department of the year"

Award is given on the basis of performance of the department throughout the year. To evaluate the performance of the departments, IQAC has designed a structured mechanism, which is 100% objective in nature and does not provide the scope for favouritism.

Between 09th November to 11th November, 2020 the assessment of the departments was carried out for the year 2019-20. Faculty wise total 06 assessors and chief assessors were appointed by the IQAC to assess the departments. Performance of the departments was evaluated on 23 parameters for 100 marks. Based on the marks obtained by the departments ranks have been assigned to the departments. Following is the result of the exercise:

Rank	Name of Department	Score
1	Bio-technology	80.5
2	Accounting & Finance	70
3	Commerce	64.5
4	Psychology	62
5	Geography	60
6	Banking & Insurance	55
7	English	53
8	BMS	51

Address: Opposite MIDC Office, Dombivli East, Maharashtra – 421 203 | **Contact:** 0251 2473 282/+9186910 22339

Email ID: dkvpcollege@gmail.com

**Dombivli Shikshan Prasarak Mandal's
K. V. Pendharkar College of Arts, Science, and Commerce
Autonomous**

Accredited with 'A' Grade (3.14 CGPA) by NAAC (3rd Cycle 2017)

9	Physics	49.5
10	Accountancy	49
11	Chemistry	48.5
12	Computer Science	44.5
13	Information Technology	38
13	Zoology	38
14	Botany	37.5
15	History	35
15	Economics	35
16	Marathi	27

The Department of Bio- technology is significantly appreciated & recognized as the Best Performing department of the year 2019-20.

Hearty Congratulations to the Department of Bio-technology!

Dr. Sharad Mahajan

Subject : Heartiest congratulations on being the 'Best Performing Department' for the academic year 2019-20

Dombivli Shikshan Prasarak Mandal's K. V. Pendharkar College (Autonomous) has undergone a notable evolution in the last few years as we pursue our vision to be a model institution of higher education. One of the most profound changes building a team of educators who have a deeper understanding of their responsibilities and commitment to the field of education.

The year 2021 has been a momentous year for us as our college achieved the status of 'Autonomous'. Our students have achieved remarkable results in the examinations conducted in the academic year 2020-2021. As we continue to fulfil the vision, it is clearer than before that we cannot achieve success independently. We need to march forward together, focus on multiple fronts simultaneously, thus making a total impact as an educational institute.

Today, I feel delighted as I congratulate you on your achievement. It's good to see the spirit with which you all have been working over the years and will continue to work. I recognize the zeal and enthusiasm with which the entire department shouldered the academic responsibilities in 2019-20 and created a better learning atmosphere for the students. And a clear example of this was showcased through your achievement on being the 'Best Performing Department of Year' in the annual assessment of the departments carried out by the IQAC for the year 2019-20. The strong sense of ownership, dedication and devotion is quite evident.

Let the spirit and the values be alive. Build on these values and take it to a new level. We have a long way to go.

Thank you for all your hard work and interest in the college.

Sincerely,

Shri. Prabhakar R. Desai
Chairman
Dombivli Shikshan Prasarak Mandal

To,
Department of Accounting & Finance
Faculty of Commerce

Subject: Heartiest congratulations

I heartily congratulate the **Department of Accounting & Finance** for securing the **Second position** in the annual assessment of the departments carried out by the IQAC for the year 2019-20.

I recognize the zeal and enthusiasm with which the entire department shouldered the academic responsibilities in 2019-20 and created a better learning atmosphere for students. Your efforts for compliance with quality standards are impressive and show exceptional dedication and discipline to the college.

Your performance will surely inspire the rest of the departments of our college to strive hard for better academic output.

Thank you for all your hard work and interest in the college.

Sincerely,

Shri. Prabhakar R. Desai
Chairman

INTERNAL QUALITY ASSURANCE CELL**

Organizes

Three days Professional Development Programme

**Crash Course in Tools & Techniques for virtual
Teaching-Learning
On 29th, 30th June and 1st July 2020**

Objective: To orient faculty members with virtual mode of Teaching-learning.

Desired Outcomes: After completing this crash course faculty members will come to know

1. What are E-content (Study Material)?
2. What are the online platforms (Apps/Softwares) available for sharing e-content with students?
3. How to engage live lectures?
4. How to conduct an online exam?

Online education has now become a necessity in this pandemic. We are here to help you in making your online teaching easier. Let us understand various Softwares/Apps available for online teaching-learning process and various forms of e-content:

1. E-content (Study Material)

- Notes in the form of Microsoft word document / PDF
- PPTs
- Images
- Videos
- Links (youtube/any other video link, any blog link, website link, Google drive link etc)

2. Platforms (Apps/Softwares) for sharing e-contents with students:

- **Google Classroom**
- Edmodo
- Schoology

3. Video conferencing app (for conducting live lectures)

- **Zoom**
- Google meet
- Microsoft Teams

4. Video based lesson

- **TedEd**
- Edpuzzle
- Flipgrid

5. Collaborative bulletin board

- Padlet
- Trello

6. Tools for Online Assessment:

- **Google Forms**
- **Testmoz**
- Quizziz
- Kahoot
- Plickers
- MTestM

From the above list we will be covering a few apps which will be helpful to all of us for online teaching. So here is a schedule of our crash course.

Schedule of the Course:

Day 1: Monday 29th June 2020

Morning 8 am- We will be sharing training videos for **Google Classroom** and **TED-ED**. All are expected to go through shared contents before 3 pm.

Afternoon 3:30 pm- We will conduct a short quiz based on contents shared in the morning.

Day 2: Tuesday 30th June 2020

Morning 8 am- We will be sharing training videos for **Google Forms**, **Zoom** and **Testmoz**. All are expected to go through shared contents before 3 pm.

Afternoon 3:30 pm- We will conduct a short quiz based on contents shared in the morning.

Day 3: Wednesday 1st July 2020

Morning 11am to 12pm - Live lecture on Zoom App and the topic is **“Practical session through Virtual Lab”**

Afternoon 3pm to 5pm- Live doubt solving session on Zoom App.

Note:

1. The degree college faculty members are required to register for the course by filling the registration form.

Registration form link: <https://forms.gle/8BnTyHAQbZk8eWrb6>

2. As per schedule video links, quiz links and zoom meeting links will be shared on “**KVP Professors**” WhatsApp Group.
3. The participants will receive an e-certificate after successfully attending the entire programme.

ABOUT VVDC

Vijayalakshmi Vishwanath Dalvie College (VVDC) was established on 14th July 2014. It is a RUSA and Govt. of Maharashtra funded Model College. It is a constituent college conducted by the University of Mumbai. It is the only college in Sindhudurg having professional degree courses including BMM. It has strong multidimensional extracurricular and academic profile. Till date there are seven programmes in the college and every year one new course is introduced. Tourism is one of the largest global industries which play an important and vital role in economic development. On 29th March 2020, we organised first ever virtual scientific conference with huge success. Dalvie college is cautious about the environmental issues. The Water Conservation project was successfully launched under the guidance of Dr. Rajendra Singh—the waterman of India. We dream of planting fruiting plants along Mumbai-Goa highway running parallel to the Western Ghats, “The Biodiversity Hotspot” under the project, “Fruit-full way to biodiversity hotspot”.

ABOUT KVPC

Dombivli Shikshan Prasarak Mandal's flagship institution viz. **K. V. Pendharkar College (KVPC)** is one of the oldest educational institutes in the suburb. Established way back in 1979, this premier educational institute in Dombivli has been grooming students for the last 41 years. The college is affiliated to the University of Mumbai. The *Mandal* has always taken a keen interest in the overall development of the students. As a result of the whole hearted support of the *Mandal*, the college has achieved a prominent place for itself in the fields of academics, sports, cultural, and social activities. The *Mandal* is also committed to promoting research & encourages all the departments to organise various events. Till date the college has successfully organised several International, National and State level conferences. The college caters to the diverse needs of students from Arts, Science and Commerce faculties. The institution offers 18 Undergraduate, 10 Postgraduate and 06 Ph. D. Programmes.

The college has been re-accredited with 'A' Grade in 3rd NAAC Cycle in the year 2017 (CGPA-3.14) and waiting for the result of College Academic Autonomy post UGC expert committee visit held on 27th & 28th January 2021.

ABOUT SXC

St. Xavier's College (SXC) was founded in 1869 by the Society of Jesus, a Christian Religious Organization started by St. Ignatius of Loyola. Since its very inception, the Society has significantly contributed to the field of education throughout the world, inspired by a vision of the human, drawn from the life, teachings and personality of Jesus Christ. In India, it was St. Francis Xavier, after whom the College is named, who began the educational work of the Society of Jesus. The SXC college is the first Arts, Science College under University of Mumbai to become autonomous in the year 2010 and ranked 4th in the EW amalgamated Arts, Science and Commerce colleges league table in 2019. Ranked India's No. 1 private autonomous college in 2020-21.

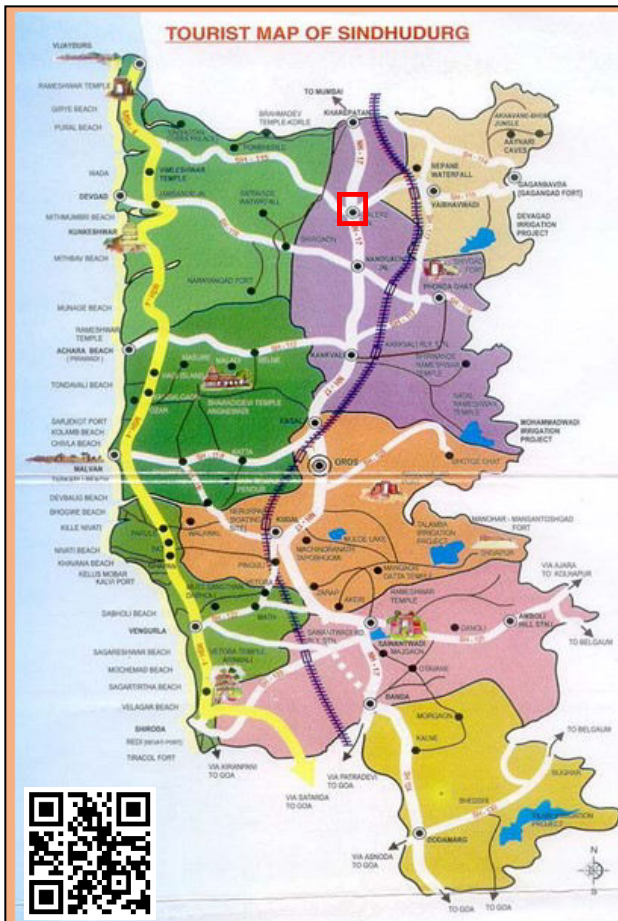

ABOUT SSS

Sindhu Swadhyay Sanstha (SSS) was borne on 5th, September 2015 to cater to the 720 km of coastline of Maharashtra. The colleges situated along this coastline are under the exclusive jurisdiction of the University of Mumbai. It is an attempt to fill the vacuum generated by CIFE(ICAR) and NIQ(CSIR), Goa which were once a part of the University of Mumbai. Though in infancy, SSS has an MoU with Naval War College and Ocean's Institute of the University of Western Australia, signed by the Premier (Chief Minister) of Western Australia. The laboratories are being developed at Kalina and Kalyan campus of this school of integrated aquatic education, conducting M. Sc. in Zoology (Oceanography). SSS has plans to expand at Ratnagiri (Fish Processing), Vengurla (Marine Capture) and Palghar (Aquaculture) in future.

It is the only department in the University which existed and performed without infrastructure and permanent posts scaling international horizons only on the dint of a group of dedicated PG teachers in the initial three years. Having acquired the laboratories on the University campus, SSS is poised to venture into the Scientific, Social, Cultural and Economic aspects related to waters of Konkan & beyond into the arena of blue water economy maritime strategies & law of the seas.

ABOUT UF

Unifist Family (UF) is a group of Educationists, Academics, Activists, Poets, Artists, Entertainers working for causes of Youth, Art, Culture, Humanity and Universal Peace founded by Dr. Sampson David, former Joint Secretary, AIU. Needless to say that its roots are from the Zonal and National UNIFESTs organized by the Association of Indian Universities and the family is branched all over India and beyond.

Sindhudurg – Once majorly a princely state is known for Vengurla Cashew and Devgad Alphonso which is popular all over the world. You would witness the first harvest of the two with onset of the season by March -end

RAISON D'ÊTRE

“Vishwanath Summit” is a regular annual feature of Dalvie College, organizing a conferences on a relevant theme providing a platform for deliberation by the academicians, experts, researchers and people socially aware about the matters of global concern bothering the present or the future of mankind. The theme selected this year is **“Environmental Pollution-Causes, Effects, Status, and Remedies”**. Extensive urbanization, rapid industrialization and uncontrolled population explosion have led to pollution of all the components of environment. As an intelligent species on the earth, we should prevent pollution of all types as we have been exploiting the natural resources. It is need of the hour to work on strategies to prevent and correct the effects of pollution on living biota. Even non-living matter like soil (Edaphic factor) is being spoilt now a days thereby diminishing the agricultural crop production. Over-use of technology and non-biodegradable materials from the industry has resulted into production of huge amounts of e-waste and plastics. The ill effects of various xenobiotics shall be controlled by modern methods of bioremediation. E-waste and plastics shall be recycled. Vehicular pollution is modern age issue as majorly incomplete combustion of fuels generate large amount of waste in the atmosphere. We also need to think over measures to check greenhouse gases eventually causing Global warming! High degree of pollution can not keep life safe on the living planet earth...! We, therefore, invite a collective wisdom to make awareness about environmental pollution in the conference to be held at Vijayalakshmi Vishwanath Dalvie College on 29th March, 2021, the date marked for **“Vishwanath Summit”** with a motto **“Propriety of Global Wellness”**.
