

EXAMINATION DEPARTMENT

Date: 12th September, 2020

**PROCEDURE AND RULES OF CONDUCTION OF ONLINE
UNIVERSITY EXAMINATIONS UNDER EXAMINATION MISSION:2020**

1. The examination will be taken for those students who have filled up the University examination form. Following students are eligible to appear for online examination:
 - A) (Semester II and IV (Only the backlog of TY Students admitted in the academic year 2019-2020)
 - B) Semester-V(Repeater Students) and VI(Regular and Repeater Students)
 - C) PG Semester I, II, III (Repeater Students) and Semester IV (Regular and Repeater Students)
2. The examination will be taken on seat number provided by the University.
3. The name and seat number will be displayed on the college website. Students must confirm their seat number and use this seat number while appearing for the examination.
4. The time-table will be displayed on the college website.
5. The theory examination for repeater students will commence on 25th September 2020.
6. The theory examination for regular students will commence on 1st October 2020.
7. The question paper will be in the Google Form. Students are informed to solve 25 questions out of 30. Each question carries 2 marks. The question paper will be of 50 marks and 1 hour duration.
8. Students must give their information in the standard Google form. (Survey of Examinee) The survey will be conducted through college.
9. The link for Google form will be provided through WhatsApp/message/email.
10. Read the Google form carefully and fill up the required information asked in the form.
11. All examinations will be conducted online mode by the college.
12. Before the conduction of theory examination, there will be a mock test. Students are informed to appear for a mock test to understand the mode of examination.
13. Department-wise groups have been created by the Co-ordinators/respective teachers, hence get add-in that group to receive the latest information regarding the examination.
14. Students are never called in the college for the examination purpose.
15. Sample multiple-choice questions(MCQs) will be uploaded on the college website to understand the nature of questions.
16. During the examination, if there is a power failure or problem of internet connectivity then immediately contact to the Help Desk.
17. If there are any difficulties or queries, then contact to help desk.
18. The examination is online, therefore there is no provision of revaluation of answerbooks as per circular issued by the University.
19. Students should access the college website to get the notice.
20. The list of examinee (name and seat number) will be uploaded on the college website.
21. The students must ensure that they make themselves properly aware of the syllabus, paper pattern, timetable and technical platform used by the college. Thus they must take the examinations as per the time-table schedule prescribed by the college and should make requisite arrangements (Smartphone/ Laptop/Tab/

Desktop/any other gadget, Internet Connectivity) to appear for the online examination.

22. Students should not resort to the use of unfair means while attempting the examination. Colleges will initiate action for use of unfair means as per University rules and regulations

23. Students should refer to and follow instructions given by Colleges and University. Do not believe in messages spread on any social media platform.
