

Anti- Ragging Committee

Anti-Ragging Committee of our college organized 'Ragging Awareness Programme' on Monday, 12th February 2018. The main objective of this programme was to create awareness among the first year degree college students regarding ragging-prohibition, prevention and punishment. The programme included a lecture followed by screening of an animation film based on ragging. Another documentary film was also screened to enable the students to understand the gravity of ragging and the nature of punishment to offenders as per the Maharashtra prevention of ragging act, 1999 and notification issued by UGC dated 17th June, 2009. The procedure of how to lodge a complaint against the offender by the victim of ragging was also discussed. In all, 15 teachers of all faculties (Aided-Unaided, Science-Commerce-Arts) along with their 982 students of the first year actively participated in this programme. Many students freely asked questions and their doubts were resolved.

I thank all Heads of different departments and teachers for their active participation and co-operation for organization of this programme. I also thank the committee members, Prof. Sanjay Abhyankar, Dr. Varsha Naravde, Prof. Neha Salagare and Mr. Vijay Gangurde for their co-operation in successful planning of this programme. I would like to thank Dr. Anuradh Ranade, Dr. Sharad Manajan and Prof Balu Shirsath for their whole-hearted support and presence in the programme.

Placement cell

A One day workshop was organized with TimesPro on 'Interview Preparation and Group Discussion'. 133 students of various streams benefited from this workshop.
