- In month of January Mr. Sukesh Marla ex-student of our department & his friend Pradeep Sheth conducted one day workshop for T.Y. Students on latest developments in IT.
- Campus interview by Seed InfoTech scheduled in the month of May 2017.

SEMINAR:

A Seminar based on Carrier opportunities other than MCA/MBA was arranged in the month of December for T.Y.B.Sc. Computer Science and Information

Technology by MET, Bandra. Mr. Sachin Gore from MET, Mumbai had conducted this seminar.

Jallosh Jan 12 – Jan 13, 2017

This year our department had celebrated Jallosh for 2 days, which was filled with lots of vibrant colors & huge level of excitement. It was interdepartmental event, the organization of complete event was done by teachers from our department. Our college students did enjoy the event more than we expected. Organising the event also helped the students in learning different aspects of management like planning, co-ordination, team work, leadership & many more. Mostly it helped TY students for confronting various types of people & handling different situations.
