To all students, parents and all citizens of Dombivli,

Topic: Regarding the false news being spread on the social media

This is to inform you all that some subjects (Major and Minor) have been reduced as per the Government's new National Education Policy 2020. But Dombivli Shikshan Prasarak Mandal's K. V. Pendharkar College of Arts, Science and Commerce (Autonomous) has introduced some new subjects for the advancement of students. **Therefore, we assure that the Management has not stopped any education and the education that was started earlier will be continued in this academic year too. Also, please note that though the Management has been decided to run the college on fully unaided basis, there will be no hike in student fees.**

The allegations made by the social media on the Management are completely wrong. On the contrary, the Management is taking many steps to provide more facilities to the students for e.g. Dr. U. Prabhakar Rao Sports Academy has been established and sports facilities are opened to all students and citizens at discounted rates.

So, we humbly appeal to all the parents and students to ignore the wrong news being spread on the social media and not fall prey to rumours.

(Dombivli Shikshan Prasarak Mandal)
